PORTFOLIO

MY PHYLOSOPHY

make everything looks intersting

CAREER OBJECTIVE

Creative and detail-oriented Graphic and Motion Designer with a passion for bringing ideas to life through compelling visuals and dynamic animations. With a strong foundation in design principles, typography, and storytelling, I specialize in creating engaging content for brands across digital and social platforms. Proficient in Adobe Creative Suite, After Effects, and industry-standard tools, I thrive in collaborative environments and always aim to deliver visually stunning work that connects with audiences.

SKILLS

- Branding
- Illustration
- Typography
- Social Media Content Creator
- 3D Design
- Color Theory
- Animation
- Video Editing
- Poster Designing

INTEREST

I'm passionate about crafting eye-catching motion-graphics videos inspired by Japanese animation using After Effects. From dynamic scene transitions and kinetic typography to stylized character highlights, I love experimenting with color grading, motion tracking, and particle effects to enhance storytelling.
